

## NOW THAT YOU ARE BORN AGAIN

Congratulations on taking the most important step of your life. By accepting Jesus Christ as your Lord and Saviour, you have entered a new life filled with hope, forgiveness, and the love of God. Your past is washed away, and you now belong to the family of God. This new journey is one of growth, strength, and transformation, and we are here to support you every step of the way.

Now that you are born again, it is important to build a strong foundation in your faith. Begin by talking to God daily through prayer. Prayer is simply communicating with your heavenly Father, sharing your thoughts, your needs, your gratitude, and your struggles. He hears you, He loves you, and He desires a close relationship with you.

Make it a habit to read the word of God consistently. The Bible will help you understand God's promises, His will for your life, and the principles that will guide your new walk with Christ. Start with simple passages like the Gospel of John, and gradually explore more as you grow. God's word is your light and your strength.

You are not meant to walk this journey alone. Find a Bible believing church where the word of God is taught clearly and where you can fellowship with other believers. Being part of a church family will help you grow, keep you encouraged, and connect you with people who can support your spiritual development.

Finally, share your new faith with others. Let your life reflect the love of Christ and do not be afraid to tell others what God has done for you. Your salvation is a testimony that can inspire and draw others to Jesus.

This is the beginning of a beautiful and eternal relationship with God. Walk boldly, grow daily, and trust Him completely. Your new life in Christ has just begun.
